## **MobiCode and GAME Retail agree New 3 year contract for Mobile Device Solutions**

### **FOR IMMEDIATE RELEASE**

**Effectively immediately**, GAME Retail have agreed to extend their agreement with MobiCode for a further 3 years to provide Mobile Device Solutions to support the processing of GAME's pre-owned Mobile Devices across their network of retail stores. The agreement covers MobiCode's NEW All-in-one Automated Recycling Tool - Mobi10, and compliments their existing agreements for MobiCHECK (Instant Device Due-diligence and Data Sharing) and MobiWIPE (Secure Device Erasure)

Mobi10 allows users to process devices fast and efficiently and in a consistent process in store, whilst maintaining an electronic record in a secure dashboard.

**Paul Harris, MobiCode CTO** said we are really pleased to continue to be able to support GAME on the High-Street. GAME have long been an integral partner and supporter for us, particularly in the fight to reduce mobile related crime on the high-street and we are really excited to be in a position to extend our relationship and suite of products that we provide to GAME for a further 3 years.

**Dave Howard, UK Retail & Property Director**, "Mobicode are a great partner for us so it was an easy decision to continue our relationship with them. Both of our companies have the same passion, which is to create a seamless and safe experience for our mobile customers".

### **About MobiCode**

Mobicode Ltd, launched in 2011, are a service provider to the mobile industry, providing intelligence and solutions to the pre-owned market, with solutions ranging from Device Due-Diligence, Device Testing and Secure Data Erasure, to solutions working across Major Retailers, Recyclers, Operators, Insurers and Law Enforcement to prevent Crime and Fraud in the industry.
